Subject: Fw: Revised Draft Response Letter - Environmental Justice Concern of the Kalispel Tribe - OGC Review

Hi JoAnn and John,

Please find a draft letter attached below that responds to the Kalispel Tribes' TMDL concerns. Would you mind taking a moment to review and comment on the draft?

(See attached file: OECA-12-002-0137_DOsterman_Kalispel Tribe of Indians_20121219.docx)

OEJ would like to finalize the draft and send the response to the Kalispel Tribe by Monday or sooner if possible. I was unable to locate Michael Bussell (Region 10) in the locator but would like his input as well. Would you let us know if you have any suggested changes by 3 tomorrow?

Thank you so much,

Tayoka

Hi Danny,

I just got a late hit from another OGC-er reviewing this document. Sorry for the delay! Please use this version of comments instead.

(The change is just to one sentence that now reads: The Office of Environmental Justice (OEJ) is confident that AWPD is working diligently with Region 10 to ensure your concerns are considered fully before ~~they~~ it makes any decisions or takes any action.)

Thank you!!
